

## 4.4 Help for schools

### *Government sector*

The implementation of the data collection arrangements has been managed centrally by State and Territory education departments.

### *Catholic sector*

In diocesan/systemic schools, implementation has been managed at diocesan level. In non-diocesan/non-systemic schools, implementation has varied across States and Territories. Please consult your Catholic Education Commission for further information.

### *Independent sector*

Implementation in this sector has occurred either at the individual school level or, where groups of independent schools are organised on a systemic basis (eg the Lutheran, Anglican and Seventh Day Adventist school systems), at the systemic level.
